The following questions are intended to help provide guidance to those completing the nomination. Answering all three questions is not required for a nomination to be considered for an award.

- How has their work helped students connect to their Strengths in meaningful ways?
- What are the ways they have helped Sources of Strength become part of school culture?
- What are ways they have advocated for Sources of Strength in their school, district, or community?

Optional Video Submission Acknowledgement

A component of the nomination application includes a video describing the nominee's contribution to Sources of Strength Elementary. Submissions will be evaluated on content and not the "production quality" of videos. The videos are meant to complement the written application, not create a barrier for nominations. You can use a cell phone, webcam, and/or computer to record/create your nomination video! Applicants are also invited to include photos, images or any other information to tell the story of their efforts. If recording and sending a video is a challenge, please reach out to Darci and our team will help develop a plan to record your submission via Zoom or another mechanism.

9. I understand that: (1) Video submissions are optional (about 1 minute) describing *
how the nominee's contributions have positively shifted school culture; (2) I must submit a photo of the Coach/Classroom/School (photos/videos should not include student identifiers unless parent/guardian permission has been explicitly given) (3) Videos + Photos must be submitted to julian@matchstickpdx.com. (4) Photos and/or videos submitted may be used by Matchstick Consulting LLC for promoting & sharing strengths-based upstream suicide prevention and mental health promotion efforts throughout Oregon.
